The majority of guest rooms on-site accommodate four people comfortably, with two queen beds. All rooms have refrigerators. Cribs are available for guests with small children by request in advance.

CHILDCARE

Unfortunately, childcare recommendations are not available for this venue. We suggest you conduct online searches or speak with other people attending the conference to identify services that might be available during your conference.

If you need a lactation room, please let your Conference Operations Associate know and the hotel will do their best to put you in a room close to the meeting space.
